Growing and active families will find plenty of space and privacy in the La Salle. This sprawling home features three separated living quarters: a large master suite with plenty of walk-in closet space, a soaking tub, and double vanities; another smaller suite with a walk-in closet and full bathroom; and a pair of bedrooms with a shared full bathroom. The large kitchen, breakfast area, and family room make up the central gathering space, with a dedicated dining room near the front entrance. Covered porches create additional entertaining spaces at the front and rear, and an attached 2-car garage leads into a drop zone and utility room on the right.
